Brooklyn

The design of the Brooklyn Collection mixes mid-century with a modern Scandi aesthetic. A bold feature splayed leg, hand crafted from solid ash, rounded gently sloping upholstered arms are set at the perfect height and the curved buttoned back cushion is superbly tailored, bringing a touch of Scandi-chic to the living room. The Brooklyn Collection also features an optional headrest to customise the look, perfect for those that prefer extra support without the need for a higher back cushion that would otherwise compromise the design.
