Darcie

The Darcie is the ultimate choice in comfort mixed with traditional design features. This suite welcomes you to relax in style and comfort. All components in this Darcie range have been extensively tested for your peace of mind. The frames are constructed using seasoned hardwood rails, plywood and high-density particle board which are glued and screwed for added stability and strength. Made in a UK factory where they hand build a collection of sofas and armchairs which epitomise the very best of British design and furniture making.
