## Antwerp

The Antwerp range combines lasting craftsmanship with inviting comfort, built on a strong hardwood timber frame made from sustainably sourced wood and expertly handmade in the UK. Its seat cushions feature Encore foam, specially contoured to create a cloud-like sit while offering the bounce and resilience of a supportive high-density foam core. Finished with elegant wooden feet in Walnut or Weathered Oak, Antwerp also includes soft duck feather scatter cushions that are 100% responsibly sourced — simply choose your preferred fabric pairing from the collection to complete the look.
