Experience the ultimate in comfort and durability with our new sofa collection. Each piece features fully reversible premium foam seat cushions with a fibre wrap, and hollow pocketed fibre back cushions for exceptional support. The seats are sprung by high gauge serpentine springs, while the backs are fully supported by elasticated tensioned webbing. Supersoft feather encore arm pads add a touch of luxury, and the sofas are available with solid wood feet in either Smoke or Light finishes. Luxury feather-filled scatter cushions and bolsters enhance the comfort and style. The frames are constructed from hardwood rails and come with a 25-year guarantee, ensuring long-lasting quality and peace of mind.
