Florence

The Florence Ceramic Dining Range exudes contemporary sophistication and practicality. Available in two refined finishes—white ceramic with a beige gloss base or light grey ceramic with a dark grey base, this range seamlessly blends style and functionality. Featuring a smooth auto-rise extension mechanism, the dining tables are anchored by a striking ribbed pedestal, making it a visually magnetic centrepiece. The collection also includes coffee, console, and side tables, as well as a TV cabinet and sideboard. Crafted from premium ceramic, the Florence range is heat, scratch, and stain-resistant; offering durability paired with effortless elegance.
