Victoria

The Victoria range is built to last, featuring a sturdy hardwood timber frame made from sustainably sourced wood and expertly handcrafted in the UK. Designed for both comfort and durability, it offers a choice of two cosy seat cushion options: a soft, cloud-like fibre filling that invites you to sink in, or supportive foam that bounces back for a low-maintenance sit. Finished with stylish wooden feet available in Walnut or Weathered Oak shades, Victoria also includes sumptuous duck feather scatter cushions that are 100% responsibly sourced — simply choose your preferred fabric from the collection to complete the look.
