Capri

Designed to interject a sense of calm and tranquility into interior spaces, the Capri Collection creates an elegant - yet livable - retreat from our modern day, fast-paced lifestyles. Characterized by its light and airy neutral color palette and use of mixed materials including oak, lacquered burlap, metal accents and champagne-tone hardware, the collection's modern styling can easily find its way into a variety of interiors across the country. As soothing as water falling from a steep rocky slope, this collection was designed to spark Zen, tranquility and calmness in any living space.
